

TAMA DESK. DESKS

DESIGN: EOOS.

Table top

- **Finishes:** veneers from price groups IV and VI.
- top thickness 28 mm
- with rounded edge

Finish of lower top: fine textured paint bronze

Base

Panel legs in steel, matt powder-coated bronze.

Drawers

Finishes: fine textured paint bronze

Both drawers have soft closing features.

To be open through hidden handles.

Front drawer

The front drawer is equipped with mirrors and offers several storage areas.

Optionally, an additional inner drawer can be installed to offer more storage options.

Accessories for drawers (optional)

- leatherpad in leather Congress (PG 55)
- screens in leather Congress (PG 55)
- drawer dividers in fine textured paint bronze or black
- USB-Power-Port under the shelf

Pedestal

Finishes:

veneers from price groups IV and VI

Leather inlay:

Leather Congress (PG 55)

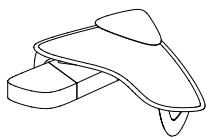

Keyless locking system: to be closed and opened with chip card. Optionally available for a surcharge.

Equipment

A light package is optionally available.

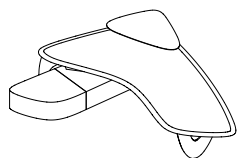

Plug management

- **lateral drawer:** equipped with 3 or 4 x power sockets.
- **front drawer:** 2 x USB power. Feature not available with PSE certification (Japan) and UL-Certification (North America). Plug can be used to charge mobile devices.
- **pedestal:** there are 3-4 further power plugs in the rear part of the pedestal.
- **cable management:** cable ducts below the 3rd level enable access to those electrical connections. One magnetic cable cover hides the cable upon the panel legs.
